References and Listing

Submitted herewith in the above-identified application is an Information Disclosure Statement listing references for consideration. Copies of any listed foreign and non-patent literature references are being submitted.

For the cited Japanese patent references, Applicant has attached English abstracts and/or translations of the Japanese patent references. Applicant makes no representation as to the accuracy of the English abstracts or translations. If the Examiner would like additional information regarding these references or if anything is unclear, the Examiner is invited to request such information, and Applicant will attempt to comply with any such request.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

Timing of Disclosure

The present application is undergoing appeal. Applicant respectfully requests consideration of the references listed herein; however, if the references cannot be considered prior to the disposition of the appeal, Applicant respectfully requests this Information Disclosure

Application No.: 09/785,944
Filing Date: February 16, 2001

Statement and enclosed references be placed in the file pursuant to 37 C.F.R. § 1.97(i). No fee is required.

The Commissioner is hereby authorized to charge any additional fees which may be required or to credit any overpayment to Account No. 11-1410.

Respectfully submitted,
